STREET LIGHT OUTAGE REPORT

DPL Energy/Miami Valley Lighting is responsible for the maintenance of street and walkway lights in the City of Union.

To report a street or walkway light outage, you can contact their office at their 24 hour toll-free number, 1-888-316-2393 or you can contact the City of Union at 937-836-8624 and the city will report the outage.

You may also fill out the following form and email it to the City of Union to the link below.
